Product Description

Bee hive smokers Green American Style Bee Hive smokers With Artificial Leather Bellow Box for beekeeping

Descriptions of the Bee Hive Smoker:

When working with your bees, a good smoker is a must-have. The cool white smoke produced by a properly packed smoker helps to calm the bees. Our 4-in. x 10-in. stainless steel Kelley Smoke Cloud smoker delivers the longest possible volume of smoke. It's fitted with full-size vinyl bellows and an intake valve located under the barrel, plus a perforated metal grate for more smoke output than most smokers. It has a metal binding for a secure hand hold. This smoker also comes equipped with a protective metal shield.

Specifications of Bee Hive Smokers:

- 19cm x 10.3cm stainless steel smoker
- Full-size bellows with an intake valve under the barrel
- Perforated metal grate for the longest possible volume of smoke
- Metal binding for secure hand hold
- Comes with a protective metal shield
